Reiner Gold works as a senior consultant in the fields of employee selection and program management at several companies. Additionally, he also works as a personnel and organization consultant, advising projects on vocational training abroad, as well as coaching people on their career choices and advancement.

Kotra is a state-funded trade-investment promotion agency, which facilitates South Korea's export economy. Kotra has overseas offices in over 80 countries worldwide, including three offices in Germany, which are located in Frankfurt, München, and Hamburg.

Vanessa Blum completed her bachelor's degree in Korean Studies and Asia Studies at the Universities of Tübingen and Bonn. She started her career in the field of human resources in 2018 at the Japanese company Kyocera in Esslingen. Currently, she is employed at the Korean company Lotte Chemical in Eschborn and is responsible for all HR-related matters.

Anja Fischer completed both her undergraduate (Korean Studies and Media Studies) and graduate (Korean Studies) degrees at Tübingen University in 2017 and 2019 respectively. She currently works at the German branch of Hyundai Mobis, an automotive parts supplier, in Frankfurt. Working in the Global OE Sales department, she is responsible for supply management and account management.

Caroline Knabe completed her bachelor's degree in Korean studies in 2020 and has just started working as sales analyst at CJ Mainfrost Foods in Oberursel, near Frankfurt. Her responsibilities include client acquisition, support of existing clients, collection of data regarding clients and sales, as well as the presentation of product samples and sales strategies.

Mirella Malkusch graduated from Tübingen University with a master's degree in Korean Studies in spring 2019. Since then, she has been working as a project manager at Synthesis Deutschland GmbH in Hamburg. Working in the gaming industry, she is also responsible for the translation and localization of in-game texts. Her further tasks include international cooperation and communication.

Mechthild Sasse completed her master's degree in Korean Studies in 2019 at Tübingen University. Afterwards she joined the German diplomatic service and now works at the Federal Foreign Office (Auswärtiges Amt). At the moment she holds the position of desk officer for conflict analysis and early warning, coordinating early warning on national and EU level.
