German version

German-Brazilian Symposium: “Last chance - Submission for Poster Abstract”

The 11th edition of the German-Brazilian Symposium for Sustainable Development has the motto "Towards a Resilient and Safe Future" and will take place in Germany at the University of Tübingen from March 20 to 23, 2024. The event is being organized by the Baden-Württemberg Center for Brazil and Latin America, assisted by the University of Hohenheim and the Leuphana University (Lüneburg).

The Conference program includes plenary lectures, thematic sessions, a poster session, and interactive workshops and open debates. The four main topics of the event are:

A: *Resilience and Adaptation for Sustainable Agri-Food Systems*

B: *Strengthening Resilience by Drug Development and Innovative Medical Treatments*

C: *Green Innovation and Circular Economy for Life and Food*

D: *Human Resilience and Climate Justice*

Capes Lehrstuhl an der Universität Tübingen: Ausgewählte Wissenschaftlerin im Bereich Pharmazie und Pharmakologie

The advertisement features a red header with the text 'Capes-Lehrstuhl' and 'Chamada: Programa Cátedra Tübingen'. Below the header is a white rectangular box containing the text 'EBERHARD KARLS UNIVERSITÄT TÜBINGEN' and a circular portrait of Prof. Dr. Fernanda Bueno Morrone. To the right of the portrait, a red box contains the text 'Pesquisadora selecionada: Fernanda Bueno Morrone'. The background of the ad is a blurred image of greenery and laboratory equipment.

Die Gastprofessorin des Tübinger Lehrstuhlprogramms ist Prof. Dr. Fernanda Bueno Morrone, Full Professor at the School of Health and Life Sciences an der Katholischen Universität PUCRS. Ihr aktuelles Forschungsprojekt lautet „Pharmacological modulation of protein kinases on the response of gliomas to radiotherapy“. [Mehr Infos!](#)
